FOR IMMEDIATE RELEASE

State Route 29-Channelization Project-Napa County Updates Starting July 25, 2016

NAPA COUNTY – Caltrans and its local stakeholders are continuing construction of the State Route 29 (SR-29) Channelization Project in and near St. Helena in Napa County. Below is the week-ahead project update for the week of July 25.

WEEK STARTING JULY 25, 2016-Daytime Work

- Sidewalk, curb and gutter work btwn Inglewood Av & El Bonita in southbound shoulder. Work is 6:00AM to 6:00PM, Mon-Fri. No daytime lane closures scheduled. Shoulder closures are anticipated near Hall Winery. Intermittent one-way traffic flaggers will be present at Grayson Avenue during signal installation.

Night Work

- Hot mix asphalt paving starting btwn Mee Lane & Charter Oak Avenue, in both directions. Work is scheduled 7:00PM to 6:00AM, Monday night through Saturday morning. One-way traffic control, with a delay of up to 5 minutes will be in-place. Driveway access may be limited during these hours. Slow traffic is expected throughout the work zone due to heavy haul trucks.

WEEK STARTING JULY 24, 2016-Daytime Work

- Miscellaneous operations throughout the project area including storm water control maintenance and concrete work.

Night Work

- Hot mix asphalt paving starting between Mee Lane and Charter Oak Avenue, in both directions. *Paving operations may start at varying locations each night of the week due to several variables including: HMA plant production, transport availability, asphalt levelling, etc. In addition, the center channelization lane will remain closed throughout paving work.
